
In early 2015, SEJPME Program transitioned from the Joint Forces Staff College (JFSC) to Joint Staff J7, Deputy Director Joint Training, Joint Knowledge Online (JKO) Division. The new SEJPME II course is for SMSgt while SEJPME I for TSgt and MSgt. This fully completes the transition from one single SEJPME course into two new distinct courses. Each year JKO will update the courses.

1. SEJPME PROGRAM MOVES TO NEW MANAGEMENT.

- a. On 1 September 2015, JKO assumed full responsibility for the entire Next Generation SEJPME Program. Students that visit the JFSC website to enroll into SEJPME will be redirected to JKO's website: <http://jko.jten.mil/>
- b. Students may request duplicate copies of legacy JFSC SEJPME Course completion certificates from the JKO Helpdesk jkohelpdesk@jten.mil

2. NEXT GENERATION SEJPME I & II COURSES

- a. The Next Generation SEJPME Program consists of two distinct 100% online courses:
 1. **SEJPME I** (replaces the original SEJPME course). Eligible students for SEJPME I are E6-E7 students (and multinational equivalents). More senior enlisted leaders (E8-E9) may still enroll into this course. The upgraded SEJPME I Course remains a 40 hour, 100% online offering and is available on JKO for enrollment 24/7 at <http://jko.jten.mil/>
 2. **SEJPME II** (an ALL NEW course). Student eligibility for SEJPME II is restricted to E8-E9s and above (and multinational equivalents). The new SEJPME II Course is a 45 hour, 100% online offering. Prospective students should complete SEJPME I before taking SEJPME II. SEJPME II is available on JKO for enrollment 24/7 at <http://jko.jten.mil/>
- b. Students with existing JKO student accounts should ensure that their JKO Student Profile information is up-to date (especially pay-grade) prior to attempting to enroll in either SEJPME Course. Assistance is available via JKO Helpdesk email jkohelpdesk@jten.mil or commercial phone (757) 203-5654.
