

STATE FORCE DEVELOPMENT STATUTORY TOUR PROGRAM RESPONSIBILITIES

This program provides the opportunity for each state to have one officer and one enlisted member assigned to a developmental Statutory Tour. The program goal is to have 54 Statutory Tour positions filled with candidates identified by the states for force development. A developmental assignment will afford members opportunities to gain staff experience at the MAJCOM, HAF, or Combatant Command level. Statutory Tour Force Development Teams will place the individuals against current/projected vacancies. There is no guarantee for award of joint credit or location of assignment. The state will determine the tour length of between one and three years, and start and end dates. Candidates will not be required to compete through the normal Military Vacancy Announcement process as outlined in ANGI 36-6. This process will be facilitated by the NGB/HR. NGB/HR and NGB/CF will have right of refusal for any nominee. A Memorandum of Agreement (MOA) will be signed by the state TAG, member and NGB outlining the specifics concerning the assignment.
