1. GENERAL INFORMATION:

Developmental Education is a deliberate and vital element in preparing officers for future leadership roles in the National Guard. Adjutants General and Wing Commanders play pivotal roles in the nomination process. Nominees should be officers who clearly demonstrate the potential to serve in key positions within the National Guard.

Selection to an IDE/SDE/ASG school or fellowship assignment is an extremely competitive process. All application packages are evaluated by an Officer Developmental Education Panel. The panel carefully considers an applicant’s demonstrated grasp of the Air Force Institutional Competencies, the strength of leadership’s endorsement, the applicant’s experiences, and the capacity of the member to serve in leadership positions at wing, state, and national levels.

IDE/SDE/ASG assignments are resident opportunities at Air Force and sister service schools, as well as fellowships at educational, government, and business institutions. Attendance is a PCS assignment with programs beginning between May-August 2016, lasting through May-July of the following year. Completion of most of the listed IDE or SDE schools and fellowships satisfy Air Force PME requirements for promotion. Some schools do not award resident PME credit and will require the completion of the appropriate level of DE through distance learning. Not all schools award Joint PME educational credit and/or award a Master’s degree. The table provided within this announcement gives a brief synopsis of each course and should be reviewed by all applicants and their senior leadership to consider the appropriate course for the applicant to attend.

**IMPORTANT NOTES:**

This announcement is intended for use by field applicants. NGB/HRT will provide instructions separately for statutory tour members whom the ANGRC Force Development Council determines eligible for DE opportunities. Statutory tour members that the ANGRC Force Development Council did not identify as eligible to apply for DE opportunities may apply as a member of their affiliated state. If selected in this manner, the statutory tour member will be required to resign from the statutory tour program to attend.

IDE/SDE/ASG selection is a tremendous honor, opportunity, and investment for the Air National Guard and our members. The Director, ANG is the final approval authority for selection and placement. Selection takes precedence over voluntary deployments or other potentially conflicting activities. Only members that present significant humanitarian or mission-impacting concerns outside their control will be considered for a non-prejudicial deferral or declination. The condition must not have existed at the time of application.

AGR members attending IDE/SDE/ASG programs will remain in their AGR billet; no additional AGR resources will be provided to accommodate their backfill.

Attending members remain limited to regular 60-day accrued leave requirement; inability to use leave while attending school/fellowship does not remove this Air Force requirement.

2. APPLICATION DEADLINE: All application packages must be received by NGB/HRT no later than (NLT) 29 July 2015. (Please follow instructions for the submission process on this announcement). Applications received after this date will not be considered.

3. AUTHORITY:
   A. CJCSI 1800.01D, Officer Professional Military Education Policy, dtd 5 Sep 2012
   B. AFI 36-2301, Developmental Education, dtd 16 July 2010
   C. AFI 36-2905, Fitness Program, dtd 21 Oct 2013 and subsequent guidance
4. ELIGIBILITY CRITERIA:

- **IDE Eligibility**: The grade of Major, or Captain who has met a promotion board to Major, and has been or will be federally recognized and promoted by the course start date (CSD). Applicants must have less than 16 years total commissioned service as of 1 June 2016.

  * ANG Congressional Fellowship (AFLL): IDE applicants who identify interest in the fellowship program and are recommended by the Officer Developmental Education Panel will be considered. Candidates should possess the interpersonal and verbal communication skills necessary to succeed in this demanding role. AFLL may conduct additional screening and request personal interviews of these candidates. Students, or Fellows, serve in the program for approximately 15 months and are highly encouraged to complete a minimum one-year statutory tour upon completion of the Congressional Fellowship. NGB/HR will contact the fellows to discuss follow-on statutory tour opportunities.

  * IDE applicants who are interested in a follow-on opportunity to attend the School of Advanced Air and Space Studies (SAAS/ASG) in the 2017-2018 academic year should check the appropriate box on the application form. Those IDE applicants who are selected and complete IDE and have identified this desire will then be considered by the 2017-2018 Officer Developmental Education Panel to attend SAASS. An updated application package will be required at that time.

- **SDE Eligibility**: The grade of Colonel, Lieutenant Colonel or Major who has met a promotion board to Lieutenant Colonel, and who has been, or will be, federally recognized and promoted by the course start date (CSD). Applicants must have less than 25 years total commissioned service as of 1 June 2016. Most resident SDE programs provide JPME II credit; therefore, applicants must have previously completed an IDE course which awarded JPME I credit. These include Air Command and Staff College (ACSC), Army command and General Staff College (CGSC), Marine Corps Command and Staff College (MCCSC), or Naval Command and Staff College (NCSC).

- **ASG**: The School of Advanced Air and Space Science (SAASS) is an ASG program. This course is not considered IDE or SDE thus ASG graduates will not receive SDE credit. ASG Eligibility Criteria:
  - Possess a Master’s degree from an accredited institution or have an undergraduate degree with a GPA of 3.25 or higher.
  - Less than 16 years total commissioned service as of 1 June 2016. Under exceptional circumstances this requirement may be waived. Applicants will be required to write an essay and the essay subject may change from year to year.
  - ASG attendees are highly encouraged to complete a minimum one-year statutory tour upon completion of the ASG/SAASS program. NGB/HR will contact the students to discuss follow-on statutory tour opportunities.

- **NIU Eligibility**: Members who would like to be considered for the National Intelligence University must have a Master’s degree and will also have to submit a package to NIU for admission into the school.
5. APPLICATION PACKAGE REQUIREMENTS: A complete application package must include the following items in the order specified:

(a) Application Worksheet: Complete all required fields. Applicants should indicate their preference of the programs available, using ALL of the choice blocks available. Prioritize each available program by filling in one circle per numbered column with the applicant’s rank order precedence for that program. (Note: You are not guaranteed your school of choice. When applying for DE opportunities you are agreeing to accept and attend any school which you are offered. The Officer Developmental Education Panel will place members in the program that best meets the needs of the ANG).

(b) Applicant Letter of Intent: (limited to two pages Times New Roman 12 font). Address the letter to “Officer Developmental Education Panel”. In the letter, address how your experience illustrates or demonstrates the Air Force Institutional Competencies. These competencies can be viewed at the ANG Force Development website, www.ang.af.mil/careers/forcedevelopment/index.asp. The following is a brief synopsis of the three major competencies:

1. Personal Competencies – Institutional competencies leaders need in face-to-face and interpersonal relationships that directly influence human behavior and values. These include ethical leadership, followership, warrior ethos, self-development and communication.

2. People/Team Competencies – These competencies, when combined with the personal competencies, are essential for leading larger groups or organizations. These include leading people, developing and inspiring, diversity, collaborative relationships and negotiation.

3. Organizational Competencies – These competencies are applicable at all levels of the Air Force, but most in demand at the strategic level. Strategic leaders will apply organizational competencies to establish structure and articulate strategic vision. These include technical competence on force structure and integration; unified, joint, multinational and interagency operations, resource allocation and management of complex systems.

(c) Wing Commander’s (or equivalent) Letter of Nomination: The nomination letter will be limited to one page in length and addressed to “Officer Developmental Education Panel”. The nomination letter may include, but is not limited to:

- The member’s accomplishments
- Why the applicant should be selected for the school/fellowship of choice(s)
- Outstanding achievement(s) that exemplify the applicant’s performance
- Strategic benefits to the Air National Guard of the applicant’s attendance
- Future positions and roles within the organization to which the applicant may potentially be assigned.
- How attendance at the school or fellowship will enhance skills and career goals
(d) TAG Endorsement Letter:

Applicants must submit a TAG endorsement letter. This endorsement is a vital component in the overall evaluation of an applicant’s package. Statements about the appropriateness of the applicant’s desired course(s) as well as the wing or state leadership’s future development plans for the member are highly encouraged. Along with supporting statements, the endorsement must include the statement:

“The individual will be maintained in a valid UMD position until the completion of the three year service commitment required after graduation.”

NOTE: Do not include other endorsements and/or letters of recommendation.

(e) Combination (military/civilian) Resume: It is imperative applicants submit a resume that contains both military and civilian experience and education. The resume cannot exceed three pages.

(f) Officer Performance Reports (OPRs):

1. IDE and ASG applicants submit the last three (3) required OPRs as of 1 June 2015.
2. SDE applicants submit all required OPRs, from the grade of Major, as of 1 June 2015.

Submit documentation for any gaps between OPRs or pending reports awaiting closeout. The OPRs must be in descending order with the most current on top. Applicants may obtain their OPRs through the Air Force portal utilizing Personnel Records Display (PRDA).

(g) vMPF Record Review/Update (Print all pages): Submit the entire vMPF report. It is incumbent upon each applicant to ensure their personnel information is correct in vMPF. The Record Review/Update is available through virtual MPF on the Air Force portal.

(h) AFFMS II Fitness Printout: Must reflect a current, passing score as of the date of application. Selected candidates will be required to provide an updated fitness certificate prior to course start date, as necessary.

(i) AF Form 422-Notice of AF Member’s Qualification Status, with no restrictions: World-Wide Qualified (WWQ) is required for use of active duty days provided by NGB through the Training Line Number process. Applicants must provide current WWQ documentation (AF Form 422) with their application package, and may be required to provide an updated copy prior to course start date. Applicants may obtain this documentation by contacting their local/servicing Medical Group or Squadron.

(j) Service Agreement: Attendance incurs a three year service commitment from graduation IAW AFI 36-2301, Developmental Education, paragraph 6.7. Applicants will complete and submit NGB Form 1212, 20090909 and indicate agreement to be retained if selected.

(k) Security Clearance: Letter of verification from Unit Security Manager (Do not submit copy of JPAS/JCAVS document).

(l) Joint Officer History (JOH) – A printed summary from the Joint Qualification System (JQS) (CAC only) located at: https://pki.dmdc.osd.mil/appj/jqs/consent?continueToUrl=%2Fappj%2Fjqs%2Finit.do
Prior to submission, applicants should ensure that this document correctly indicates their joint experience and education. SDE candidates should have JPME I indicated as complete.

(m) Stratification: Submission of two or more applicants in any DE level (IDE/SDE/ASG) from one state requires the state leadership to stratify the applicants. The letter will rank the applicants in merit order and explain the state’s position regarding each applicant. Please include the TAG’s contact information in the event the panel president needs to call during the panel process. The stratification letter must be in each individual package submission through AMRDEC.

(n) ASG Applicants Only: Applicants must complete a School of Advanced Air Space Studies (SAASS) Application. This application is separate from the IDE/SDE/ASG application. Questions regarding SAASS/ASG and the application essay should be directed to SAASS ANG POC at (334) 953-5310, DSN 493-5310.

7. SELECTION/ANNOUNCEMENT PROCESS:

A. The Officer Developmental Education Panel will convene in the first quarter of FY16 to develop a merit listing of candidates for recommendation to the Director, Air National Guard.

B. The Director, Air National Guard, on acceptance of the panel recommendations, will announce the alphabetized list of selectees and alternates, by email, to the Adjutants General and ANGRC/CC.

C. ANGRC/CC will further disseminate the Selection Announcement to the state and territory Wing Commanders, Directors of Staff, and ANGRC A-Staff Directors.

D. NGB/HRT will provide a Selection Notification Letter to each selectee and alternate.

8. ACCEPTANCE/DEFERRAL/DECLINATION/WITHDRAWAL PROCEDURES:
A. Selectees must provide NGB/HRT written notice of their acceptance, or a request for deferral, declination, or withdrawal within 30 days of receipt of the Selection Notification Letter.

1. Acceptance – Selectee must send confirmation of acceptance via e-mail or MFR to NGB/HRT at usaf.jbanafw.ngb-hr.mbx.ANG-Force-Development@mail.mil.
2. **Deferral** – Primary candidates, who are unable to attend the selected program due to significant mission essential or humanitarian reasons, may request a deferral. Approved deferral requests will automatically hold a seat for the individual in the following academic year (AY 2017/2018) *at the school for which the member was originally selected. Failure to obtain approval of a deferral request will result in a declination.* (See below.)

3. **Declination** – An officer selected as a primary candidate that is unable to attend the selected program due to mission essential or humanitarian reasons may request to decline the opportunity. Those with an approved declination may reapply after a one-year break. For example, a primary candidate selected through this announcement for the 2016-17 academic year, who requests and receives an approved declination, may not apply for the 2017-18 academic year. They may reapply for the 2018-19 year. *Failure to obtain an approved declination will result in a “with prejudice” declination and render the member ineligible to reapply for resident developmental education at the same level in the future.*

4. **Withdrawal** – An officer selected as an alternate who, prior to being named as a primary candidate that is unable to attend, may request withdrawal from further consideration without prejudice.

B. Acceptance or requests for deferral, declination, or withdrawal should be routed to usaf.jbanafw.ngb-hr.mbx.ANG-Force-Development@mail.mil. Emails for acceptance of an IDE/SDE/ASG course with official signature blocks will be accepted. Requests for deferral or declinations must be in MFR format and received by NGB/HRT with proper endorsements or they will be returned to the state without action.

C. The information above regarding the deferral and declination process is being provided only to inform potential applicants in advance of the rules regarding deferral and declination options. Complete and specific instructions for requesting a deferral or declination will be provided to the selectees in their Selection Notification Letter.

9. **ADDITIONAL INFORMATION:**

A. We encourage supervisors and commanders at all levels to review their officer force and target qualified members for IDE/SDE/ASG attendance.
