**Position Description (Duty Description):**

Must be fluent in Spanish and English (listening, reading) testable to a 2+/2+ on DLPT. Any AFSC; however, 1AXXX series preferred. Physical Standards: Must be able to pass a Class III Flight Physical and complete Initial Physiological Training. Flies day and night CD missions over PN sovereign airspace onboard US Navy and USCS P-3, USAF E-3, and other US aircraft, as required in order to conduct HNR support to the ABD program. Provide Airborne and Ground Escort for HNRs. Perform airborne duties in a non-rated capacity as an Operational Support Flyer. Translates inter-aircraft and intra-aircraft communications. Involved in coordinating and maintaining professional relationships with foreign military, civilians, law enforcement agents, contractors, liaison officer teams and international agencies in Latin American countries. Travels to forward operating locations (FOL) and other sites as necessary to support USSOUTHCOM AOR CD operations. Knowledge is desired in: military command and control and aviation terminology, joint service relationships and operational concepts. Communicates via tactical radio nets. Acts as airborne liaison providing linguistic support for aircrew and HNRs, communicating with ground based command and control agencies and airborne assets tasked to execute detection and tracking of illicit activities.

Selected members must be willing to relocate to Miami, FL and change State Affiliation Status to become part of the New Mexico Air National Guard. Members will be placed on Title 10 orders and are not required to attend UTAs or Annual Training with the NM ANG.
