Position Description (Duty Description):

AFNORTH/Det 1 Mission: Continental NORAD Region, First Air Force, Air Forces Northern (CONR-1AF-AFNORTH) is seeking qualified 1C5 members to support the mission of the Canadian NORAD Region and provide airspace management for all NORAD air assets in Canada.

Provide operational support to Canadian NORAD Region (CANR) Headquarters (CANR HQ).

The primary function for Command and Control personnel assigned to support the Canadian NORAD Region is to provide support to the 24/7 Canadian Aerospace Operations Center's mission. The SODT will work directly for and backfill the Senior Operations Duty Officer. The member is responsible for the management of NORAD Air Operations in Canada.

This position will also develop and update Air Tasking Orders for all Canadian missions. Included in this requirement is building and updating mission data, imports airlift missions, manages airspace deconfliction, data entry of take-off and landing times, coordinating with outside agencies and processing any message traffic relevant to NORAD mission planning or execution.

AOC experience preferred. This position is a CAOC watch position responsible for Air Tasking Order development, monitoring classified message traffic, coordinating with specialty teams, managing COMSEC equipment and submitting help desk tickets.

** All personnel applying for this 1AF (AFNORTH) position must have a current Secret security clearance. Additionally members must complete country clearance prior to assignment to Detachment 1.
