Position Description (Duty Description): Experience credentialing & privileging providers and nurses within a Guard Medical Unit. Incumbent must be organized and multi-tasked oriented to arrange quarterly credentialing & privileging boards. Knowledge in contracting is desired. Incumbent will be required to work with the Army National Guard and Joint Staff securing a new credentialing and privileging contract. Adverse action management requires coordination with joint staff attorneys, risk managers, and organizing peer review panels. This position will be responsible for deploying providers, domestic operations and IRT program managers ensuring ANG providers, nurses, and directors of psychological health are properly credentialed and privileged for missions.
