Common Questions

Q: If selected how does the state cut my orders over the FY?

A: FM POC: If the intent of the order is for the member to be on an order for over 180 days – TDY with PCS entitlements - then the order should be cut for the entire period and place the statement below on the order.
"Authorizations to cite the next fiscal year does not constitute authorizations to obligate funds until approved by Congress"

If no days are available after 30 Sep of that year then the order can be cut back and the member would still be entitled to be PCS'd back to the HOR.
