Position Description (Duty Description): During the period of this assignment, this position

will be an Action Officer for the Director, DoD SAPCO, supporting the SAP Warfighting Integration Group (SWIG), including connecting NGB need and SAP capability opportunities.

Responsibilities include (but are not limited to) the following:

Working in close and continuous coordination with action officers and senior leaders within the NGB, as well as OSD, DoD Agencies, the Joint Staff, and the Services to support the National Defense Strategy by improving SAP warfighting integration across the Department and with our most-valued allies, partners, and stakeholders.

Leveraging programmatic information within DoD and Industry to identify opportunities for increased SAP level collaboration and Joint All-Domain Integration. Participating in meetings with internal staff and representatives from staff agencies and Industry to determine program status, milestones, and costs to determine actions required to achieve objectives.
