DUTY TITLE: Director, AFJROTC Flight Academy

Dates: 1 October 2017 – 30 September 2018

MAJCOM: AETC

Location: Maxwell AFB, AL

Rank: Lt Col- Colonel

AFSC: Rated Officer

Job Description: Responsible for development, resourcing, planning, and execution of CSAF directed Air Force Junior ROTC Flight Academy. As a result of the National Aircrew Crisis, the CSAF stood up the Aircrew Crisis Task Force with 5 major Working Groups. Working Group 2 is specifically focused on the "Intake" portion of the issue. The Flight Academy is intended to inspire High School youth to pursue aviation career paths, increase diversity of the force, and to provide potential for targeted AFROTC Aviation Scholarships. Development of the Flight Academy includes partnerships with Universities with Aviation Programs, formalizing candidate selection criteria, formalizing specific requirements associated with program completion to include Private Pilot's License-sure and Ground School. In addition, developing potential long-term partnerships with industry to share the burden/funding for Flight Academy Scholarships, etc. Proof of Concept (POC) will entail 120 cadets selected from across AFJROTC to attend initial course at selected locations. Ultimate goal is 1% of AFJROTC Cadet Corps, approximately 1,200, to attend a Flight Academy. Significant travel and TDY associated with fully developing Flight Academy locations and Industry Partnerships. Responsible for leading team of 2 field grade officers and one NCO (initial staffing requirement).
