Basic Information

Title	European Partner Integration Enterprise (EPIE) High-Altitude (HA) Subject Matter Expert		
Description	The HQ USAFE-AFAFRICA/A2 European Partner Integration Enterprise (EPIE) is a collaborative GEOINT exploitation center for coalition partners in Europe to learn and contribute to coalition GEOINT operations in EUCOM, AFRICOM, and CENTCOM alongside U.S. intelligence professionals. As part of that mission, EPIE is committed to building partner ISR capabilities and integrated support to real-world operations. The ideal candidate will have US DCGS/DGS experience as a Geospatial Analyst, will be familiar with airborne high-altitude imagery analysis, and must possess the experience/knowledge to deliver still imagery (EO/IR/SAR) orientations to partner nations. Experience with the Battlefield Information, Collection, and Exploitation System (BICES) network is HIGHLY desired. Knowledge and experience with RPA operations is desired, but not required.		
Additional Info	Applicants must have a current physical fitness assessment and have currently passed the fitness test. Applicants who require a 1095 and sanctuary waiver for all or part of a 179 day MPA order with USAFE-AFAF are ineligible to apply. (shorter duration or 365 PCS possible/candidate dependent)
