2. Position Description

This Position is an API 8

-Incumbent functions as the single point of contact for all GATE KEEPER (GK) matters within the headquarters Air Force Special Operations Command (AFSOC) as a member of the HQ AFSOC/SA staff. Functions include but are not limited to: Advise AFSOC/CC, AFSOC/SA and other AFSOC elements on National Guard policies and GK management, capabilities, and limitations. Advise NGB and ANG on AFSOC policies as they related to organizing, training, equipping, and providing forces for the GK mission. Interface directly with AFSOC-gained Special Operations Squadron (SOS) commander and state adjutant general on issues regarding the GK unit. Monitor AFSOC collections, verifications, and analysis or statistical data pertaining to GK unit. Advise ANG of this data, the interpretation given to it by AFSOC, and possible impact to ANG activities. Monitor, review, and coordinate all actions pertaining to the readiness of the GK unit including preparation of policies, regulations, directives, and position papers. Work with AFSOC functional managers to resolve readiness, training, and inspection/ evaluation problems for GK unit. Facilitate dialogue between ANG and AFSOC functional managers.

- Develop staff policies relating to operations, training, and maintenance to ensure combat readiness, base support, logistics and mobility requirements for the classified GK mission in conjunction with the Air National Guard, National Guard Bureau, USSOCOM, and AFSOC. Responsible for the coordination and flight following of all classified and unclassified missions assigned to GK. Establishes GK long-range technical objectives, mission requirements, and equipment acquisitions. Oversees major command program's Joint Integration and Development System (JCIDS) and ensures initial capabilities documents (ICD), capability development documents (CDD), and capability production documents (CPD) state required capabilities, performance reliability, and supportability to satisfy needs for the GK program. Incumbent plans, prepares, coordinates and conducts annual GK

Program Management Reviews (PMR), attends periodic users group and technical interchange meetings.

-Develops and recommends modifications to GK systems and programs around doctrine, tactics, and concepts of operations that track Air Force, OSD, and joint planning documents. Promotes interchange of information on requirements, capabilities, deficiencies, and technology applications in the area of specialization. Responsible for integrating current and future GK requirements into acquisition plans and annual fiscal programs, e.g., POM. Provides support and advice on reprogramming on funds and funding levels due to programmatic or fiscal changes/limitations. Incumbent functions as Title 10 program liaison to DoD Components, the Department of State, and other government agencies on GK issues. Incumbent must have thorough understanding of JS focal point messaging system. Incumbent should have, or be able to maintain, a Top Secret security clearance based on the SBI/SBBI. Incumbent should be able to complete baseline DoD mandated Defense Acquisition University requirements.
