---

## 2. Position Description

-Responsible for civil engineering functions in support of the Commander, North American Air Defense and US Northern Command (CDR NORAD/USNORTHCOM) strategic defense forces. Directs CE functions during NORAD battle staff exercises and contingencies. When directed by CDRUSNORTHCOM, provides full spectrum USAF air and space capabilities and conduct Defense Support of Civil Authorities (DSCA) to assist civil authorities during emergencies, natural or man-made disasters, and other approved activities. Determines requirements, establishes plans, provides designs and directs operations, maintenance, repair, alteration and construction of facilities and utility systems. Determines proper use of facilities and effective use of utility systems. Acts as technical representative and engineering consultant for operations and maintenance activities. Monitors the full range of civil engineering activities supporting contingency operations in theater; maintains liaison with AFNORTH, ANG and HQ ACC A4 staff and engineer functions of other components and joint task forces. Responsible to monitor unit infrastructure and provide assistance in construction, maintenance, and repair of Air Force real property; operation of utility systems; fire prevention, protection, and aircraft crash rescue; readiness; explosive ordnance disposal. Functional area manager for civil engineering requirements.

-Coordinates programs with ANG staff, MAJCOMs, Wing and Unit to support command initiatives and Air Force objectives. Functions include planning and programming for maintenance, repair, and construction requirements; design and preparing plans and specifications for contracts, contract inspection, budgetary development and planning; establishing standards, requirements, and funds management for personnel, supplies, and equipment; environmental protection and base procedures for construction and maintenance of environmental improvements. Coordinates civil engineering support for deployed Air Force units and weapons systems, emergency repair of war damage to air bases, base denial activities, and other related combat support functions. Extensive knowledge of the ANG Civil Engineer unit program requirements, practices and management required. Should have knowledge of readiness, fire protection operations and explosive ordnance disposal; budgetary and programming cycles and budgeting experience; civil engineer unit type codes, unit manning

documents, wartime tasking, contingency planning and mobilization procedures. Without this expertise, JFACC/COMAFFOR will not have the necessary management and oversight for Civil Engineering duties and responsibilities.

---

### **3. Application Reminders**

Pen/ink changes to any source document, i.e. Report on Individual Personnel (RIP), Evaluations could result in disapproval.

It is your responsibility to ensure your vMPF RIP is accurate/in order prior to application submittal. This includes but not limited to, verifying duty history, AFSC, service dates and ensuring overdue TDY codes are cleared.

---

### **4. About Statutory Tours**

This is a fully funded Permanent Change of Station (PCS). Visit DFAS website for most current Basic Allowance Housing (BAH) & Basic Allowance Substance (BAS) rates for the duty location listed on this announcement.

All Members assigned to the Statutory Tour program will remain affiliated their state/territory while serving on Statutory Tour.

All field members to include AGR, Technicians, Drill Status Guardsmen, ANG members assigned to NGB as a State Candidate, and ANG members assigned to NGB utilizing a state resource, must obtain and submit State TAG approval with application. Members currently assigned to the Statutory Tour program (excludes State Candidates and members assigned to NGB utilizing a state resource) must obtain current director's approval.

Statutory Tour service time does not count toward Reduced Eligibility Age for Reserve Retirement Pay.

Statutory Tour members may be eligible for the Post 9/11 GI Bill if they serve on active duty Title 10 and/or Title 32 502(f) AGR for 90 days or more, after 11 September 2001. Their eligibility percentage starts at 40% for 90 days to 5 months. It increases 10% every 6 months, maxing out at 100%.

**Further information regarding the Statutory Tour Program can be found in ANGI 36-6.**

Application packages will be reviewed to ensure qualifications are met. Packages are reviewed within four duty-days of receipt. You may email [usaf.jbanafw.ngb-hr.mbx.hr-apply@mail.mil](mailto:usaf.jbanafw.ngb-hr.mbx.hr-apply@mail.mil) or call 240-612-8884 to check the status of your application. Please do not call/email for a status update within the four duty-day period.

#### **IMPORTANT NOTE:**

Based on the volume of applicants, packages received within four duty-days of the closeout date listed on the announcement will be reviewed for qualification/disqualification only. Any incomplete/missing requirements/documentation will result in disqualification. Submittal of any missing documents/requirements after the closeout will NOT be accepted. We highly encourage you to submit packages as early as possible. If you have any questions pertaining to your package refer to our FAQs and application procedures. If your question is still not answered, contact our office for

clarification. Review your application and requirements thoroughly before submitting to preclude disqualification.
