2. Position Description

This Position is an API 0.

-Incumbent is a current and proficient software engineering leader and/or AF software factory leader. Should have operational experience in software factory growth and execution, and day-to-day management of software Development, Security, and Operations (DevSecOps) activities. MAJCOM or higher staff experience desired. Reporting functions require knowledge of formulation of military policies, programs, and procedures regarding employment of ARC weapons systems and personnel. Should have a working knowledge of the functions and organizational structure of MAJCOMs, NAFs, NGB, AFRC and ANG units. Responsible for the management and execution of the AATC Software Division (AKA "Corsair Ranch"). The primary objective is to provide Director level oversight of assigned military and contractor DevSecOps personnel to ensure continuous delivery of ARC weapon system software capabilities. This involves maintaining and updating as necessary: embedded DevSecOps strategy, vision, and mission documents; software factory Standard Operating Procedures (SOPs); DevSecOps Tactics, Techniques, & Procedures; Deployment guidance; program indoctrinations and initial/annual training. Maintain liaison with appropriate DOD and AF agencies for each weapon system and related special program. Conduct authorized liaison with industry to maintain awareness of technology advancements and make informed recommendations regarding the pursuit of future enhancements to resolve complex and varied DevSecOps challenges facing ARC weapon systems. Disseminate information on new procedures and policies.

-Responsible for Corsair Ranch infrastructure to include: management of individual unit's programmed annual budget; liaise with program offices, test partners, industry partners, and field units to continuously solicit stakeholder, partner, and user feedback; compliance with MAJCOM

policy, guidance, procedures and emphasis items. Provide direct guidance and information to AATC CC/CV leadership regarding status of Corsair Ranch products and personnel. Represents the National Guard Bureau and AATC at major command level planning conferences and required meetings. Participates in the development of NGB/AFRC position papers by providing expertise in DevSecOps and ARC weapon systems, employment effectiveness and proper force utilization. Visits operational units during deployment exercises to observe their operation and to discuss rapid software delivery CONOPS and opportunities.

-Reviews (and prepares when necessary) mission operational statements of need. Prepares written comments for Air Directorate and Air Staff review or selected statements of need submitted within the Combat and Mobility Air Forces (CAF, MAF). Articulates DevSecOps training requirements for specific mission tasking to customer MAJCOM (ACC, AMC, AFSOC), supporting command and Air Staff. Works under the direct supervision of the Director of Cross-Functional Test (DX), AATC. Receives guidance and direction in the assignment of broad objectives. Generally acts independently in carrying out specialty. Incumbent is relied upon to maintain current status of Software Division and all issues relative to Total Force Policy. Completed work is reviewed by supervisor and integrated into overall NGB/AFRC programming and planning. . Maintains liaison with staff agencies, operational units, and other organizations as required concerning DevSecOps, software capabilities/shortfalls, concepts of operations, and tactics, techniques, and upgrade requirements for the ARC. Serves as the AATC focal point for DevSecOps to ensure continuous software delivery to systems under test at AATC. Develops and presents briefings to both senior leadership and operational aircrew and technicians. Position may require extensive travel and extended temporary duty assignments. Performs other duties as assigned by the AATC/CC.

3. Application Reminders

Pen/ink changes to any source document, i.e. Report on Individual Personnel (RIP), Evaluations could result in disapproval.

It is your responsibility to ensure your vMPF RIP is accurate/in order prior to application submittal. This includes but not limited to, verifying duty history, AFSC, service dates and ensuring overdue TDY codes are cleared.

4. About Statutory Tours

This is a fully funded Permanent Change of Station (PCS). Visit DFAS website for most current Basic Allowance Housing (BAH) & Basic Allowance Substance (BAS) rates for the duty location listed on this announcement.

All Members assigned to the Statutory Tour program will remain affiliated their state/territory while serving on Statutory Tour.

All field members to include AGR, Technicians, Drill Status Guardsmen, ANG members assigned to NGB as a State Candidate, and ANG members assigned to NGB utilizing a state resource, must obtain and submit State TAG approval with application. Members currently assigned to the Statutory Tour program (excludes State Candidates and members assigned to NGB utilizing a state resource) must obtain current director's approval.

Statutory Tour service time does not count toward Reduced Eligibility Age for Reserve Retirement Pay.

Statutory Tour members may be eligible for the Post 9/11 GI Bill if they serve on active duty Title 10 and/or Title 32 502(f) AGR for 90 days or more, after 11 September 2001. Their eligibility percentage starts at 40% for 90 days to 5 months. It increases 10% every 6 months, maxing out at 100%.

Further information regarding the Statutory Tour Program can be found in ANGI 36-6.

Application packages will be reviewed to ensure qualifications are met. Packages are reviewed within four duty-days of receipt. You may email usaf.jbanafw.ngb-hr-apply@mail.mil or call 240-612-8884 to check the status of your application. Please do not call/email for a status update within the four duty-day period.

IMPORTANT NOTE:

Based on the volume of applicants, packages received within four duty-days of the closeout date listed on the announcement will be reviewed for qualification/disqualification only. Any incomplete/missing requirements/documentation will result in disqualification. Submittal of any missing documents/requirements after the closeout will NOT be accepted. We highly encourage you to submit packages as early as possible. If you have any questions pertaining to your package refer to our FAQs and application procedures. If your question is still not answered, contact our office for clarification. Review your application and requirements thoroughly before submitting to preclude disqualification.
