**Position Description (Duty Description):** Range Training Officers (RTO) acts as unbiased referee to assist in the air-to-air portion of a large force exercise with shot assessment and kill removal. The position

is generally filled by experienced fighter pilots or Air Battle Managers. RTO primary responsibilities are oversight of flight safety, facilitate training, provide real-time kill removal, and assist flight leads in mission reconstruction during debriefs.

The RTO's provide realistic shot assessment based on range, target maneuvers, etc. Additionally they can provide "Fog of War" injects, if requested\*, by applying Pk (Probability of Kill) ratios to a certain percentage of shots.

**ADOS Application Procedures form:** Located at: <http://www.ang.af.mil/Careers/Active-Duty-for-Operational-Support/>
