MEMORANDUM FOR NGB/HRT

FROM: AU/CG

SUBJECT: Status of AWC and ACSC ARCS Programs

1. The 2020 AWC and ACSC ARCS programs will be executed on the original planned dates. The course dates for AWC ARCS are June 1st – 12th and the course dates for ACSC ARCS are June 8th – 19th. The format has changed and both ARCS programs will be conducted in a virtual setting with the member teleworking from their residence.

2. The format adjustment to the execution of the ARCS program has led to a change in how the program will be funded this year. The ARCS program will be centrally funded at NGB with all members receiving a TLN (Training Line Number) and being placed on Title 32 orders.

3. The program managers for each program will be in contact with the ARCS students for further guidance. For questions regarding this memorandum, please contact me at clayton.thompson.1@us.af.mil or my cell at (904) 233-7367.
