

## **ANG Contemporary Base Issues Course (CBI)**

The primary goal of the CBI Course is to prepare current and future Air National Guard leaders to work together as a team to identify, analyze, and resolve contemporary base issues. This course is not limited to senior leaders; all officers (including JAGs), noncommissioned officers, and other personnel in supervisory/leadership positions are encouraged to attend. Commanders are encouraged to attend together with their JAGs and paralegals. Topics are discussed via lecture and student interaction over a two-day period.

CBI is a Friday-Saturday course. Each day begins at 0730 and ends around 1630. There are regularly scheduled breaks along with a 75 minute period dedicated to lunch each day. Slides are not provided; however, you will receive reference information and notetaking material. There is no preliminary work required for this course.

TO REGISTER: Go to [angcbi.eventbrite.com](http://angcbi.eventbrite.com) (website defaults to current location with open registration - address may be different if there are multiple registrations)

NOTE: Many government computers block the use of Eventbrite. If you encounter registration problems, blank screens, or error notices, the best work around is to use a personal computer or mobile device.

COMMUNICATION: All CBI communication is via email; correspondence may be sent on weekends, nights, or holidays. If you are a traditional guardsman, consider using an email address that you have access to regularly.

LODGING/TRAVEL: The confirmation email provides as much information as possible; please use Google or Yahoo Maps for more detailed directions as needed. If suggested lodging/requirements or travel information are not listed, or if you have questions about travel, utilize DTS or contact your local TMO or SATO. Each attendee is responsible for their own travel and lodging.

TRAVEL DAYS: The day before and the day after the course (unless otherwise determined by your leadership) are to be utilized for travel.

UNIFORM OF THE DAY: ABU, Flight Suit, any combination of blues

ORDERS/FUNDING: Local unit training funds are to be used. Not school days funding.

WAIT LIST: If you see a "wait list" notice, the course is full and you may place your name on the wait list to be notified if a seat opens up for you. Wait list notifications are released once a cancellation is received, which may be at night, on a weekend, or during a holiday. Seats are released in chronological order according to the date a member joins the wait list. If notified, you will have 48 hours to register; after the 48 hours, if you do not register then the seat is released to the next member on the list. If you miss the 48 hour window and still want to attend, you will have to place your name on the wait list again. It may be best to use a personal email address for wait list notifications.

CANCELLATIONS: Please forward all notices of cancellation as early as possible to [airng.cbi@gmail.com](mailto:airng.cbi@gmail.com) Once the notice is received, your seat will immediately be cancelled. After cancellation, if a member is then again able to attend the course, he/she must register as a new student.

TO HOST: Send e-mail to [airng.cbi@gmail.com](mailto:airng.cbi@gmail.com)

Courses are scheduled at various bases within the United States and surrounding U.S. Territories. Visit this website for the upcoming training locations and dates.
